The Eighth Annual DAVE DIAZ-INFANTE *Charity Classic* MARK SCHLERETH

Celebrity Gala & Golf Tournament

May 15 & 16, 2009

In Memory of Hunter Andrews Nelson
November 5, 1999 - May 29, 2005

"The Dream for a Cure Lives On!"

Hosted by:

THE INVERNESS
HOTEL AND CONFERENCE CENTER
denver, colorado

On May 29th, 2005 we unexpectedly lost Hunter to a massive seizure. Needless to say this has been a monumental & devastating loss. In Hunter's memory our foundation has made a renewed commitment to fight this disease and try to make sure that other families do not have to go through the ultimate tragedy of losing a child! SWS is a rare brain disease with no cure or definitive prognosis for those afflicted with it. Symptoms associated with SWS include seizures, glaucoma, cognitive, motor and neurological deficits, eye and internal organ irregularities. Hunter's Dream raises money for children with SWS, other neurological diseases and programs for special needs children

right here in Colorado. Through our fundraising events, the Dave Diaz-Infante Mark Schlereth Charity Golf Classic and the Celebrity Hunt for the Cure, we have raised more than \$900,000 since our inception. Our efforts were recognized in 2004 when we received the *Frances Owens Communities Helping Young Children Award* presented by the former First Lady of Colorado for demonstrating outstanding support for early childhood intervention and support programs in Colorado. In 2005 Robb & Wendy received the *Pathways Achievement Award* from the state of Colorado, honoring extraordinary achievements for people with disabilities.

Hunter's Dream for a Cure has presented *The Kennedy Krieger Institute & Johns Hopkins Sturge-Weber Syndrome Center* with checks totaling \$525,000 and has committed an additional \$100,000 over the next two years. Our funding helped establish the Center, which was the first of its kind. As a result of our funding and Hunter's passing in 2006, the Center was renamed the **Hunter Nelson Sturge-Weber Center**. The Center takes a multi-disciplinary approach to evaluating and treating all medical issues associated with SWS. Long-term research goals of the Center include the development of clinical trials aimed at improved treatment for those affected by SWS and hopefully an eventual cure.

Hunter's Dream For A Cure has presented \$75,000 to Colorado's own **Developmental Pathways**. Developmental Pathways is a Colorado non-profit agency created to serve persons with disabilities and their families. **Inspiration Playground** has also received \$50,000 from Hunter's Dream For A Cure to build the first and only universally-accessible playground in Colorado. **Inspiration Playground** will be an outdoor play environment that will include safe, state of the art, structures that will enable every child – able bodied and disabled – to play independently on the same equipment. Other Colorado beneficiaries including **Early Childhood Intervention**, **Breckenridge Outdoor Education Center**, **Wheelin' Sportsman** and others have received over \$250,000 from Hunter's Dream for a Cure.

Hunter was our greatest teacher! He taught us unconditional love, faith in God, hope, strength, courage, humility, patience and compassion. We hope that you never forget Hunter or less fortunate children who will always need your support. Always find room in your life to help those who can't help themselves. Hunter will always have a Dream for a Cure and we hope you do to!
